

SGROUP
EUROPEAN
UNIVERSITIES'
NETWORK

A NETWORK OF OPPORTUNITIES

FOR UNIVERSITIES FROM EUROPE
AND BEYOND

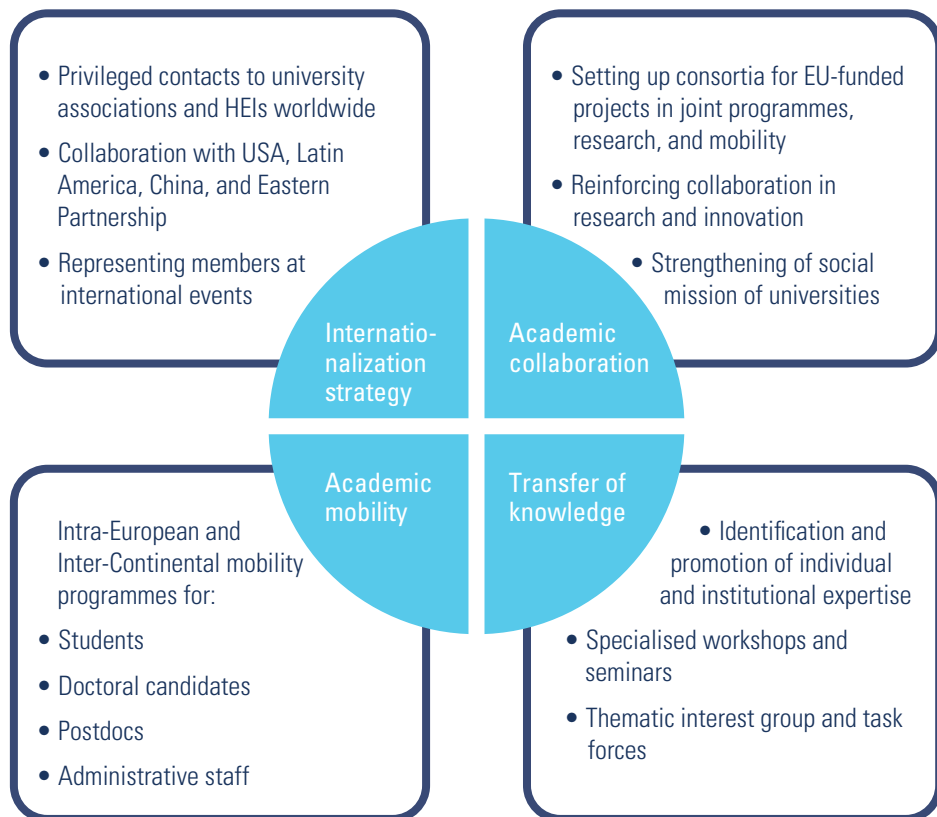

WHO WE ARE

Created in 1989 and based in Brussels, Belgium, the **SGroup European Universities' Network** is a non-for profit association composed of over 30 excellent and globally operating universities from 15 European countries. We aim to strengthen the institutional capacities of its member universities to reinforce their international visibility and competitiveness by expanding their collaboration opportunities in education and research.

WHAT WE DO

SELECTED SGROUP'S PROJECTS

ICon Programme

Inter-Continental Academic Exchange Programme with Latin America, Eastern Partnership, and China

STEP Programme

SGroup Erasmus Training Exchange Programme - placement programme for students at international relations offices of SGroup members

Berkeley Exchange Programme

Exchange programme with the University of California, Berkeley for SGroup's graduate and post graduate students

EU-funded projects

Active participation and networking for EU-funded Programmes

Specialised Workshops and Seminars

Training sessions for academics, researchers, and administrative staff

JOIN US TO

- ESTABLISH NEW COLLABORATION OPPORTUNITIES
- ATTRACT NEW FUNDING
- EXPAND EXPERTISE
- STRENGTHEN IMPACT
- INCREASE VISIBILITY

Universities can reach their strategic objectives through the extensive collaboration opportunities offered by the SGroup Network to Europe-based full members and to associate members from beyond Europe.
